

## Labor Market Information Committee Meeting

March 1, 2018  
Washington, D.C.

### DRAFT AGENDA

**\*This agenda is subject to change depending on member input and other factors. Please contact NASWA staff if you are making travel plans around specific agenda items.**

Note: The LMI Committee Meeting follows the NASWA Winter Policy Forum, which will be held on February 27-28, 2018. Plan to attend both to maximize opportunities to learn new practices, connect with UI and workforce development staff, broadcast the value of LMI shops for workforce development, and hear updates on the Federal budget and policies.
