

Legislative Priorities

The National Association of State Workforce Agencies (NASWA) publishes its advocacy issues annually on behalf of state workforce agencies. They are developed in collaboration with members through 10 national policy committees, approved by the board of directors, and circulated to membership.

NASWA's Resolutions & Policy Notebook provides a complete listing of NASWA's policy positions as of September 1, 2013. Resolutions, Congressional testimony, letters to agencies and policy makers and other documents approved by the Board of Directors constitute NASWA policy. The notebook has three sections: (1) NASWA Resolutions; (2) NASWA Testimony; (3) NASWA Letters and Other Policy Initiatives. The notebook is current as of March 2014.
