Wilmington, DE- In the event of a Federal government shutdown, Federal employees may be eligible for Unemployment Compensation for Federal Employees (UCFE). The UCFE program is administered by state unemployment insurance (UI) agencies acting as agents of the Federal government. The program is operated under the same terms and conditions that apply to regular state UI. In general, the law of the state in which an individual's official duty station in Federal civilian service is located will be the state law under which an individual's eligibility for benefits is determined.
