

MoSCORES Plus Career Exploration Website

April 02, 2019

MoSCORES (Missouri School Credentials for Occupations Resulting in Employment Success), located at <https://jobs.mo.gov/jobseeker/training-and-education>, is a high impact product allowing users to explore career opportunities at different education and training levels, including traditional credit programs and non-credit credentials. Results for employment rates, wages, graduation/credential rates, and industries hiring graduates are displayed by school for each program of study. Users can compare tuition, program requirements, and training locations. The development of MoSCORES, through the workforce longitudinal data system, provides the ability to research programs and outcomes to make informed decisions on investing time and money into careers. The product supports Missouri's Eligible Training Provider List.
