

NASWA Survey on EUC08 UI Administrative Funding and State Staff Reductions

January 22, 2013

During the NASWA Board of Directors Meeting December, 6-7, 2012, several states expressed concern about the prospects of cuts in federal funding for administration of Unemployment Insurance (UI). The Board of Directors asked NASWA to survey all states on whether states will have to cut unemployment insurance staff due to reductions in federal funding for UI administration. Please click above to view the results of highlights of state responses from the survey.
