FAST Enterprises - Company Profile

January 28, 2021

Fast Enterprises (FAST) is a leading provider of commercial off-the-shelf (COTS) software and consulting services for governments worldwide. FAST software helps government agencies reduce costs, enhance services, improve the efficiency of internal operations, and maximize return on investment.

FAST software is based on a core system architecture that is configured to provide governments with the functions and options they need to eectively and eciently administer their public programs. Our consultants work side-by-side with our clients worldwide to provide on-site implementation and support services for our software. The configurability of the system enables FAST software to meet the unique requirements and objectives of agencies that serve diverse stakeholders, populations, and jurisdictions. Our clients use FAST software to administer programs for tax and revenue, driver licensing and control, vehicle titling and registration, and unemployment insurance.
