MILITARY COMMUNITY ENGAGEMENT

- As one of America's most military-friendly and military-ready employers, Comcast NBCUniversal is committed to hiring 21,000 members of the military community.
- Comcast NBCUniversal supports our employees who choose to continue their service to country in the National Guard and reserve by offering exclusive benefits and policies.
- We have a Military Appreciation Offer, which shows our company’s gratitude to all of our military customers by giving them a \$100 Visa® Prepaid Card and \$25 Xfinity coupon.
- Comcast NBCUniversal supports low-income veterans by bridging the digital divide with our Internet Essentials program. More information can be found at InternetEssentials.com/Veterans.
- Since 2011, we've supported hundreds of military community organizations by donating \$142 million in cash and in-kind contributions.
