

West Virginia Fraud Poster - Report It

October 13, 2021

REPORT IT

Collecting Unemployment Insurance benefits based on intentionally false or inaccurate information is FRAUD.

Examples include:

- Failing to report money earned while collecting benefits
- Supplying false information about why someone is no longer working for an employer
- Reporting ability and availability to work when ill, traveling or otherwise unable or unavailable for work
- Reporting looking for work when no work search efforts were made
