

State Workforce Technology Procurement Trends 2012 - 2022

August 22, 2022

Procurements are one way to understand trends in the workforce ecosystem. This can demonstrate priorities, uncover innovative practices, and highlight stages of modernization in workforce agencies. Analysis of data from the Workforce Information Technology Support Center (Workforce ITSC) Procurement Portal shows procurements are increasing over time. Importantly, the positive trend of these procurements holds across all programs.
