Multi-State Data Collaboratives Annual Meeting - March 2023 Report

May 10, 2023

Synopsis of the Multi-State Data Collaboratives Annual Meeting that took place on March 27, 2023, at the Hamilton Hotel in Washington, DC.

The 2023 Multi-State Data Collaboratives' Annual Meeting, Pathways to Innovation, was focused on the future of the collaboratives; specifically, it laid the groundwork for accelerating data product innovation across multiple policy sectors. During the opening welcome and throughout the afternoon, speakers highlighted recent successes in data product innovation in the collaborative network and the growing potential of the network to leverage administrative data for the public good. The meeting also highlighted significant progress across three regional multi-state data collaboratives in the establishment of priority areas of focus, data partnerships, governance, and state engagement.
