National Labor Exchange (NLx) 2025 Year in Review

February 11, 2026

The NLx is pleased to share its 2025 Year in Review, highlighting a year of continued progress, innovation, and collaboration across the national workforce system. Amid an evolving labor market, the NLx remained focused on strengthening partnerships, expanding access to high-quality job data, and delivering trusted solutions that connect employers, workforce agencies, and job seekers nationwide.
