

CareerOneStop Occupation Profile

The CareerOneStop Occupation Profile organizes and presents in a card format a wealth of occupation information including:

- Occupation description
- Occupation video
- Outlook
- Projected employment
- Typical wages
- Education and experience: to get started
- Typical education
- Certifications: show your skills
- Licenses: do you need one?
- Apprenticeships: learn on the job
- Activities: what you might do in a day
- Knowledge
- Skills
- Abilities
- Related occupations

Users can move or delete the various cards and download their profile in PDF, Word, and RTF formats. COS has available a Web API that retrieves all the data involved in creating the Occupation Profile.

Like all renovated COS tools, the Occupation Profile can be inserted in multiple locations on the site. There is even a specialized version for COS' GetMyFuture portal for young adults:
