C-QB Upload

Functionality has been added to MSDES for each State to have a State Profile.

Adding a State Profile required us to add a new access level of "State Admin" as the person that is allowed to enter your State specific information.

One person in each State should, with State POC approval, contact the ICON Help desk to request an upgrade of your account for MSDES to "State Admin".

Please update your State Profile ASAP, you will not be allowed to upload a C-QB after 12/31/21 if your State Profile has not been updated,

Select the batch file for processing (Only .csv is accepted)

Today's Date

05/19/21

Before uploading a UCX quarterly detailed bill (MSDEB) in the MSDES website for any quarter, you must ensure that (1) the total dollar amount for each agency included on the MSDEB.csv file matches the agency charges in the Section B of the ETA 191 report (for the same quarter), Statement of Expenditures and Financial Adjustments of Federal Funds for Unemployment Compensation for Federal Employees and Ex-Servicemembers Report, and (2) the ETA 191 Report has been transmitted electronically to USDOL's National Office.
