

**Southern Regional Data Collaborative (SRDC) Meeting**  
Farragut Square Room, Hamilton Hotel, Washington DC  
March 27, 2023

**3:20 PM Introductions and Our Charge**

**Charge:** Where do we want to be in 3 years and how do we get there? What are the action steps for the next 3-6 months given these goals? 6-18 months?

**3:40 PM Pathways to Innovation**

**Discussion:** How can the SRDC move from information sharing in our topical workgroups to creating data projects that lead to products and inform practice?

- What near-term opportunities exist?
- Are there existing state data products that can be replicated/expanded with data currently in the ADRF?
- Have the workgroups revealed any research questions that have potential for a training class or multi-state project?
- What infrastructure/support needs to be in place to support longer-term continued innovation?

**3:55 PM Pathways to Governance**

**Discussion:** How can (or to what extent should) the SRDC leverage the governance structure developed by the Midwest Collaborative?

- What's the group's interest in adopting the RFI approach shared by George Putnam in the previous session?
- To what extent might an RFI process support greater project and product innovation?

**4:05 PM Pathways to Expanding the Network**

**Discussion:** How do we build a robust network for data sharing, training, and collaboration?

- Who should be at this table (agencies, universities, programs)?
- What are the key steps to attracting/recruiting those partners?
- How important to the overall ecosystem sustainability is leveraging the common data platform?

**4:20 PM Identify Key Take-aways and Prepare for Presentation on Wednesday**

**4:25 PM Adjourn and Return to Hamilton Ballroom**
