3:30 p.m. Joint Session with NASWA Technology Committee *Beverly Room (level 2)*

LMI shops rely on data produced by the UI system. This session will provide an overview of the data products created by state LMI shops, with a focus on who uses the data and the value of the data to the end users. It will also feature a successful state WLMI-technology partnership and enable discussions in other priority areas for collaboration.

- Workforce & Labor Market Information 101: NC, SC, WA
- Successful Partnerships for in UI Modernization: OH
- Topical Discussion

4:45 p.m. *Wrap-Up and Adjourn*
