

# EXCLUSIVE BENEFIT! A CUSTOMIZABLE LEARNING MANAGEMENT SYSTEM

## INTERESTED IN SAVING YOUR AGENCY TIME AND MONEY?

NASWA's Learning Management System (LMS) allows states to leverage the existing NASWA LMS infrastructure to produce a fully-functioning, state-specific LMS at a substantially reduced cost.

States will be provided their own fully customizable domain within the NASWA LMS platform.

Each state-specific domain provides:

On-demand employee training

A comprehensive monitoring, tracking and reporting system

NASWA Learning's existing training and skill development offerings

A single sign-on configuration with existing IT infrastructure

SAVING YOUR STATE AGENCY TIME & MONEY
